

2007 Little
Miami River
Watershed
Festival
October 20, 2007
10 AM - 4PM

The goal of the festival is to **raise awareness of water quality issues, watershed activities and conservation organizations functioning within the watershed.** We envision a fun, family oriented day in natural surroundings that help promote the beauty and value of the Little Miami River watershed. It will be a great opportunity to reach a large number of families with the message that **“Clean Water is a Clear Choice!”**

Last year more than 20 exhibitors, representing watershed interests and conservation groups presented educational displays, hands-on activities and large group events for outdoor enthusiasts of all ages.

Presentations included topics on water quality, water safety, flooding, fossils, pond and stream life, local plants, animals and fall foliage. The festival also included interpretative hikes, and a water journey game.

Admission is free. Children can earn a free T-shirt by visiting display booths and participating in various events.

Upper Little Miami and

Clean Water...a clear choice

The watershed festival is sponsored through a Section 319 grant from USEPA and Ohio EPA.

Organizations participating in the funding and planning include:

Caesar Creek US Army Corps of Engineers, Greene Co. SWCD, Warren Co. SWCD, Greene Co. Sanitary Engineering, The Little Miami River Partnership (LMRP) and the Ohio Environmental Protection Agency

2007 Little Miami River Watershed Festival

YOUR ORGANIZATION IS INVITED TO PARTICIPATE

We are very excited to be able to bring this event back. Last year was a huge success with well over 600 participants.

1. Participation is Free.

2. The target audience for this event is families.

3. This event will be outdoors. We ask that you provide your own table (s), chairs and canopy in the event of inclement weather.

4. Visitors move from display to display and children will collect stamps. **Once a child has completed the Stamp Collection Map, he or she can earn a free T-shirt!**

5. Our committee is planning various activities for the day and would **greatly appreciate volunteers to oversee a hands-on activity** and help with the children. We will provide tables and chairs for these activities. However, we ask that you wear a shirt or ID badge that represents your organization.

6. Set up time will begin at 9:00 AM the morning of the event. Displays must be staffed for the duration of the event.

7. Interested in participating? **Complete the sign up form** and return to LMRP.

9. If your organization is unable to participate, please consider a donation to the event. Donations will be used to purchase T-shirts for those children who complete their stamp collection map

We hope to see you there!
